

writeReg

```
graph LR; writeReg[writeReg] --> HAL_I2C_Mem_Write[HAL_I2C_Mem_Write]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'writeReg'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'HAL_I2C_Mem_Write'.

HAL_I2C_Mem_Write
