

TIM Exported Constants

```
graph LR; A[TIM Capture/Compare Channel State] --> B[TIM Exported Constants]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. The box on the right is gray with a black border and contains the text 'TIM Capture/Compare Channel State'. A black arrow points from the right box to the left box, indicating a relationship or flow from the state to the constants.
