

GPIO Exported Functions

```
graph LR; A[Initialization and Configuration functions] --> B[GPIO Exported Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'GPIO Exported Functions'. The box on the right is gray with a black border and contains the text 'Initialization and Configuration functions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box.

Initialization and
Configuration functions
